

Many of you have special memories at Camp Shamineau. You have experiences from your childhood or memories you've made with your own children at Family Camp or a parent-child retreat.

For many, Camp Shamineau has been a place for life stories to be born and lives to be changed. Ministry began at Camp Shamineau 50 years ago and the legacy continues today. The story of changed lives is still being written.

Camp Shamineau continues to grow and is embarking on a 3 year Capital Campaign. Funds raised will complete the recreation center and remodel almost every other building at Camp. Many of the special places at Camp Shamineau where you have spent time will receive necessary upgrades.

Stop by the Shamineau display for more information on this exciting project and learn how you can be a part of writing the next chapter in this amazing story.

Visit us at www.ShamineauLegacy.com or contact our office at 1.800.305.8118 for more information.
